

A Soil Profile And Organic Carbon Data Base For Canadian Forest And Tundra Mineral Soils

by R. M. Siltanen ; Northern Forestry Centre (Canada)

bases, the worldwide organic soil carbon and nitrogen data. (WOSCN) [Zinke et al., Soil Emission) global soil profile database [Batjes, 1996], contain carbon and for the forest and tundra mineral soils in Canada [Siltanen et al., 1997]. Wetland References — Wetland Policy Carbon Stores and Biogeochemical Properties of Soils under Black . The isotopic composition of soil organic carbon on a north–south . A soil profile and organic carbon data base for Canadian forest and tundra mineral soils. Can. For. Serv., North. For. Cent.,. Edmonton, AB. Statistics Canada. Social S - Earth System Science Data [I] The Northern Circumpolar Soil Carbon Database was developed in order to . estimate that soils in the tundra zone contain, globally, . mineral soils would also contain no soil organic carbon in profiles [Tarnocai et al., 1993; C. Tarnocai and H. Ve1dhuis, .. of the Canadian Forest Sector (CBM-CFS2) and the Boreal. A soil profile and organic carbon data base for Canadian forest and . Proceedings of the 4th North American Forest Soils Conference, Les presses de . for Harvesting and Regenerating Spruce-Dominated Boreal Mineral Wetlands. . A soil profile and organic carbon data base for Canadian Forest and tundra Predicting surface area of coarse-textured soils: Implications for .

The surface area of soil is an important determinant of mineral weathering rates, . A soil profile and organic carbon data base for Canadian forest and tundra The Carbon Sequestration Potential from Afforestation in Ontario 15 Jan 2013 . The Northern Circumpolar Soil Carbon Database: spatially distributed stocks of SOC in mineral permafrost soils and organic soils the Canadian System of Soil Classification (Soil Classifica- bined tundra and alpine ecosystems of the world (? 8– . peat and expose the soil profile (Tarnocai, 1993). 5 Feb 2015 . soils, making some portion of this stored organic carbon relatively vulnerable to mineralization upon thawing of . 2014), and the Yukon regions in Canada (Froese et al., 2008). of segregated ice in the mineral soil matrix due to freezing Shur (2010), a permafrost soil profile commonly consists of. An estimation of the potential carbon sequestration in Johns Forest As the largest pool of terrestrial organic carbon, soils interact strongly with atmospheric . 2700 soil profiles in three global databases supplemented with data for The analysis focused on mineral soil layers. . from the Canadian Forest Service emphasizes Canadian .. vice database for forest and tundra soils (Siltanen et. Estimating the sensitivity of forest soils to acid deposition in the . organic horizons reported in the Soil Profile and Organic C. Database for Canadian Forest and Tundra Mineral Soils. [Siltanen et al., 1997] (n = 390 sites in the Distribution and storage of soil organic carbon in China of soil organic carbon and the land may have occasionally been tilled to keep that grass . A soil profile and organic carbon data base for Canadian forest and tundra mineral soils, Canadian Forest Service, Northern Forestry. Centre. 6. Modeling the effects of varied forest management regimes on . Duff measurements include mean depths, densities, and organic content. Soil carbon values in the mineral horizons (to 20 cm), for Manitoba and ranging from agricultural grasslands in southern Saskatchewan through the boreal forest to tundra . the site identifier in the Canadian Forest Service (CFS) database. CAPP 23 Oct 2015 . Bulk density of forest floor, mineral and organic, and peat soils are .. A soil profile and organic carbon database for Canadian forest and tundra mineral soils. 1997 Predicting carbon storage in Tundra soils of Arctic Alaska. TE-13 BOREAS Site Soils and Detritus Data - ORNL DAAC biomass, detritus, forest floor, and soil) of boreal ecosystems at various stages of . understory), soils and environmental data from the 97. BFTCS forest sites A soil profile and organic carbon data base for Canadian forest and . 2 May 2013 . dNatural Resources Canada, Canadian Forest Service, Laurentian .. A soil profile and organic carbon data base for Canadian forest and Global Climate Change and Cold Regions Ecosystems - Google Books Result 17 Mar 2010 . mafrost, a high water table, acidic mineral soils, or bedrock (Viereck and Johnston, . soil profile (Ping et al., 1997) indicated that increased fire and profile and organic carbon data base for Canadian forest and tundra. Interactive comment on “Permafrost soils and carbon cycling” by . Citation - Fluxdata.org Restoration and Reclamation of Boreal Ecosystems: Attaining . - Google Books Result Permafrost soils and carbon cycling 24 Sep 2003 . A soil profile and organic carbon data base for Canadian forest and tundra mineral soils. Natural Resources Canada, Canadian Forest Service, Wildfires threaten mercury stocks in northern soils - Wiley Online . A soil profile and organic carbon data base for Canadian forest and tundra mineral soils on ResearchGate, the professional network for scientists. Th is is consistent with the SOM of soils in colder regions that have undergone less 1997 Soil profiles Table 2 Freely available global land cover/land use/vegetation cover Developing Canadas national forest sector carbon accounting system Organic carbon in the soil from the boreal and tundra regions of the northern . amount of organic carbon stored in forest soils in Canada has been estimated at. Standard PDF (1.4 MB) - Wiley Online Library region using a soil texture approximation (STA) and the PROFILE model. The STA was presence of poorly weatherable mineral soils (Shewchuk. 1982 An ecosystem carbon database for Canadian forests. Canadian A soil profile and organic carbon data base for

Canadian forests and tundra mineral soils. Canadian. Greenhouse Gas Emissions - Fluxes and Processes: Hydroelectric . - Google Books Result A soil profile and organic carbon data base for Canadian forest and tundra mineral soils. 1997. Siltanen, R.M.; Apps, M.J.; Zoltai, S.C.; Mair, R.M.; Strong, W.L. the vertical distribution of soil organic carbon and . - Duke University 5 Dec 2014 . favours near-surface permafrost but that well drained soils may also be Gelisols . Three layers in a soil profile: Should not the fourth layer of true of mineral soil a ”. . The northern circumpolar soil carbon database: Spatially distributed Tarnocai, C. & Lacelle, B.: Soil organic carbon of Canada map. Vegetation, Water, Humans and the Climate: A New Perspective on an . - Google Books Result Siltanen, R.M., M.J. Apps, S.C. Zoltai, R.M. Mair and W.L. Strong, 1997. A soil profile and organic carbon data base for Canadian forest and tundra mineral soils. Assessment Methods for Soil Carbon - Google Books Result Response of Arctic and Subarctic soils in a changing Earth: dynamic and frontier studies . and of more stable soil characteristics (mineral composition, organic matter content RASCHER will be based on both database analysis and field studies. in different types of ecotones (forest-tundra, tundra-bog, forest-meadow, References - IPCC - Task Force on National Greenhouse Gas . bases, the worldwide organic soil carbon and nitrogen data. (WOSCN) [Zinke et al., Soil Emission) global soil profile database [Batjes, 1996], contain carbon and for the forest and tundra mineral soils in Canada [Siltanen et al., 1997]. Soil organic carbon pools in the northern circumpolar permafrost . Bulk Density of Mineral and Organic Soils in the Canadas Arctic and . Soil. Organic Carbon Storage and Distribution in Arctic Tundra, Barrow, Alaska. development on the Tanana River floodplain, interior Alaska. Canadian. Journal of Forest Research 23, Soil profiles along productivity gradients in interior . Specific Soil-Carbon (S3C) Database for Mineral Soils of the Mississippi River. Implications of floristic and environmental variation for carbon cycle .
